

Skin ampoules

High concentration of active ingredients

Skin ampoules are the latest top trend. Single-dose with a high concentration of active ingredients, they work an instant effect on the skin. At Neftis Laboratorios we are excited about anticipating the boom by offering our customers a wide range of these future beauty essentials.

The volume chosen is ideal for using half the ampoule in the morning and half at night. They must always be applied to clean skin, and can be spread by gently massaging the face, neck and cleavage.

OF NOTE ARE:

- » Their high concentration of active agents
- » Their light, fluid textures
- » Their ease of spreading and absorption
- » Oil free
- » Silicone free
- » Indicated for any age

If you are interested in our new line, do not hesitate to ask us for more information. Samples are available for testing. Do not let your customers miss out on the magic of our energetic aqueous fluids.

5% VITAMIN C & PROTEOGLYCANS NEF312

10% VITAMIN C NEF705.01

15% VITAMIN C NEF705.02

RETINOL YELLOW PEEL -10% VITAMIN C NEF264

Vitamin C, an excellent anti-inflammatory and anti-oxidant active. Neutralizes free radicals protecting the skin from pollution, UVA, UVB and blue light. It also protects cell's DNA and stimulates collagen's production. It decreases fine lines and wrinkles. In addition to all this, has the capacity to fight dullness, even out skin tone and reduce dark spots.

HYDRANEF NEF652

To relieve dehydration. Recommended for dry skin, times of stress and changing seasons.

SMOOTH & BRIGHT NEF653

Regenerates and moisturises the skin as you sleep. Contains natural alpha hydroxy acids which carry out a gentle external exfoliation of the skin, promoting cell renewal and hydration preventing signs of skin ageing.

MATIFYING NEF655

Purifies, reduces imperfections and detoxifies the skin, without for getting to moisturise it. For combination and oily skin.

LIFTING NEF694

Instant facelift (flash effect) and V-shaped facial contouring. Relaxes facial muscles preventing and/or reducing wrinkles and expression lines.

ANTIAGING NEF651

Combination of powerful active agents to combat the signs of ageing: sagging, loss of elasticity, and softens wrinkles. Firms and moisturises. Provides the face with firmness and brightness, attenuating the signs of fatigue.

BLEACHING EFFECT NEF257

The synergistic action of alpha-arbutin and licorice extract unifies skin tone and reduces skin pigmentation. It also contains vitamin C.

ANTIAGING: PEPTIDES & HA NEF656

Contains powerful anti-ageing active agents, together with the added value of low molecular weight hyaluronic acid and peptides. Helping to gradually correct wrinkles and prevent new wrinkles from forming.

XTRASOOTH NEF540

Active agents with anti-inflammatory and repairing properties. Indicated for sensitive and delicate skin.

ANTIPOLLUTION NEF674

Protective shield and detoxifier. Prevents and acts against the ageing, dehydration and dark spots caused by external factors. Recuperates the skin's brightness. Rich in powerful antioxidants.
